Then Jesus said unto them, **Take heed and beware of the leaven of the Pharisees and of the Sadducees.**

WORD.BECAME.FLESH.INDIA.TRIP_ JEFF.IN V-26 N-5 SUNDAY_ 54-1003M

I told my wife, coming down (here to church), "If anything, I want to get away from," and **ask this church to pray for me, "is quite criticizing." I'm critical in my heart, and I don't mean to be that way.**

WORD.BECAME.FLESH.INDIA.TRIP_ JEFF.IN V-26 N-5 SUNDAY_ 54-1003M

I've developed a critical spirit, and **it haunts at me.** I told my wife yesterday, the first time. Something happened now, that I was sitting in the yard, and I told her. She had reminded me, and I told her about it. I said, "Honey, I've got to a place till **I'm become critical of people.**" **I don't want to be.**.. whose job is it? It's not mine. And **God's the One to criticize, not me.**

So you help me, as I stand here with my hand up at the pulpit, **help me to criticize nobody.** And **help me that God will give me a spirit in my heart**, that **instead of criticizing it, I will love them anyhow, and go on.**

And that's what I'm going away for, I to stay by myself to pray that **God will take that critical feeling away from me**, and **mellow me down...**

Now, **I pray that You'll help me. Take the critical spirit from Thy servant, Lord.**

JESUS.CHRIST.THE.SAME_ DAWSON.CREEK.BC FRIDAY_ 61-0519

It might be at this moment that there would be someone setting **that would be critical that might eternally separate themselves from God.**

59-1127 BLIND.BARTIMAEUS_ SAN.JOSE.CA FRIDAY_

Those **critical spirits of those unbelieving priests** still live today among the people: **religious spirits, criticizing...**

58-0517B ZACCHAEUS_ BANGOR.ME SATURDAY_

Rebekah had been praying for her dear little husband, Zacchaeus. she wanted her husband to believe on Him. **That's a real true wife**. Every businessman should have that type of wife, that would pray for him. **Don't criticize him**; just pray for him. **That's the best way to get Him to Christ.**

GOD'S.POWER.TO.TRANSFORM_ PHOENIX.AZ V-16 N-5 SATURDAY_ 65-0911

We're not to criticize each other. And it's not my purpose to try to criticize a brother or sister that wouldn't agree with you. **No, far be it from me to do that.**

59-0920 PLANTING.THE.VINE.AND.WHERE.TO.PLANT.IT

When a person **gets away from the fountain of Life**, when they get away **from the joys of salvation**, then that person becomes **a sticker, always finding fault, sticking, criticizing.**

WHY_ BEAUMONT.TX FRIDAY_ 61-0125

Have fellowship one with another, and **forget your little differences**, and be brothers one with another and **strengthen him**. Lend him a hand; pat him on the back; say, "Come on, brother, **we're right together.**" **That's the way to do it. That's the way to do it.** You'll find out one thing, brother: **criticism will only get you in trouble.** That's right. **Don't never down anybody; lift them up.**

PROPHET.ELISHA_ CHICAGO.IL FRIDAY_ 54-0723

Now, **some people criticize music in the church.**

53-0902 TESTIMONY_ CHICAGO.IL WEDNESDAY_

It was a very worldly little place, had one of them little noisy juke boxes that everybody played. the first thing I noticed was a policeman standing with his arm around a young lady, playing a slot machine. then the next thing I noticed was, looked back there and a young lady very indecently dressed, and sitting on the side of the table about half drunk, and some boys with her...And looked sitting down to my right, there was an elderly lady about, sixty-five, I guess. And she had a little very half nude clothes on, you know. And--and her lips was painted with blue-looking paint, and her toenails the same color. **I thought, "O God how can you stand to look at it? Looks like You'd just turn on and**

blow the world up." I was standing there looking at that, **I was criticizing that woman. I was criticizing the officer in my heart.**

And then just seemed like Something said to me, **"Step over here to one side.** I want to talk to you." **That was my Boss.** And when I stood over there, Seem like I could see the world, and around the world was a rainbow. And that rainbow represented the Blood of Jesus Christ. And I noticed around it was a streak, like red, all around. And I wondered what it was. And as I drew close **I seen myself as a boy.** And **when I would sin,** well, then I seen Jesus standing in front, between me and God, **and His Blood act as a bumper. Every time I'd do anything wrong, it would hit Him.** And He'd say, "Father, forgive him; he don't know what he's doing." And I'd--**I'd do something else,** and then **it was just like the bumper on a car to keep me.** God can't stand sin. The day you sin you're gone. That's all. But **the Blood of Jesus was protecting me,** the wrath of God from me, and my sin would catch it. And He'd say, "Father, forgive him; he don't know what he's doing." And I looked, and I said, "Lord, is--is my sins treating You like that?" And the Blood running down His face... I looked, crawled up a little closer. And I seen a Book there, and my name was at the top, **all kinds of sin wrote on it.** I said, "Will You forgive me?" He touched His side and wrote **"Pardoned,"** **threwed it over in the back, behind Him in the Sea of Forgetfulness.** And I said, "Oh, how I appreciate You, Lord." He said, **"Now, I was willing to**

forgive you of your sins, but you want to condemn her for hers"

53-1205 THE.RESURRECTION_ WEST.PALM.BEACH.FL SATURDAY

If you come to criticize, the devil will give you something to criticize. If you come for to find good, God will show you something good. It depends on what you're looking for.

57-0612 JEHOVAH.JIREH_ INDIANAPOLIS.IN WEDNESDAY_

If you come criticizing, doubting, **you'll never receive nothing.**

56-0414 BLIND.BARTIMAEUS_ COLUMBIA.SC SATURDAY

He was a big Man. When people say bad things about you, if you can **just go on forget it, that shows you're a big man.** Little men can't tamper with it; **He was too big to listen to their criticism.** He had one thing to do; that's the Father's will.

BLIND.BARTIMAEUS_ CHICAGO.IL SATURDAY_ 56-0407

Any other man that's anointed of God, is too big to listen to criticisms and things like that. They have one job to do; **that's obey God.** God will take care of the rest of it.
