For I truly think that **it's the duty of every Christian to take communion.** The Bible said, "If you take this not, you have no part with me." **And I believe that it is a showdown time for the Christians.** If we do not take it, we have no part with Him. And if we take it unworthily, then we're guilty of the body and death of Christ. **So it gets to a place, where it keeps the Christian prayed up,** so

when he comes to communion, we should come reverently, solemnly, sacredly, walking up, confessing all of our wrongs, praying one for the other.
