**"The First Noel"**

63-1214 WHY.LITTLE.BETHLEHEM\_ PHOENIX.AZ V-9 N-9

Now we find out, **this little stable**, it was there that **the first noel was ever sang on earth**, and **it was sang by Angels**. Think of it! **The first noel**, not sung up there with Caiaphas, not down at some great fine church where a wonderful pastor was, **but at a stable in Bethlehem**, the least among all of them. **But the first noel was sang by Angelic Beings in the little city of Bethlehem.**
